Risk Category Distribution

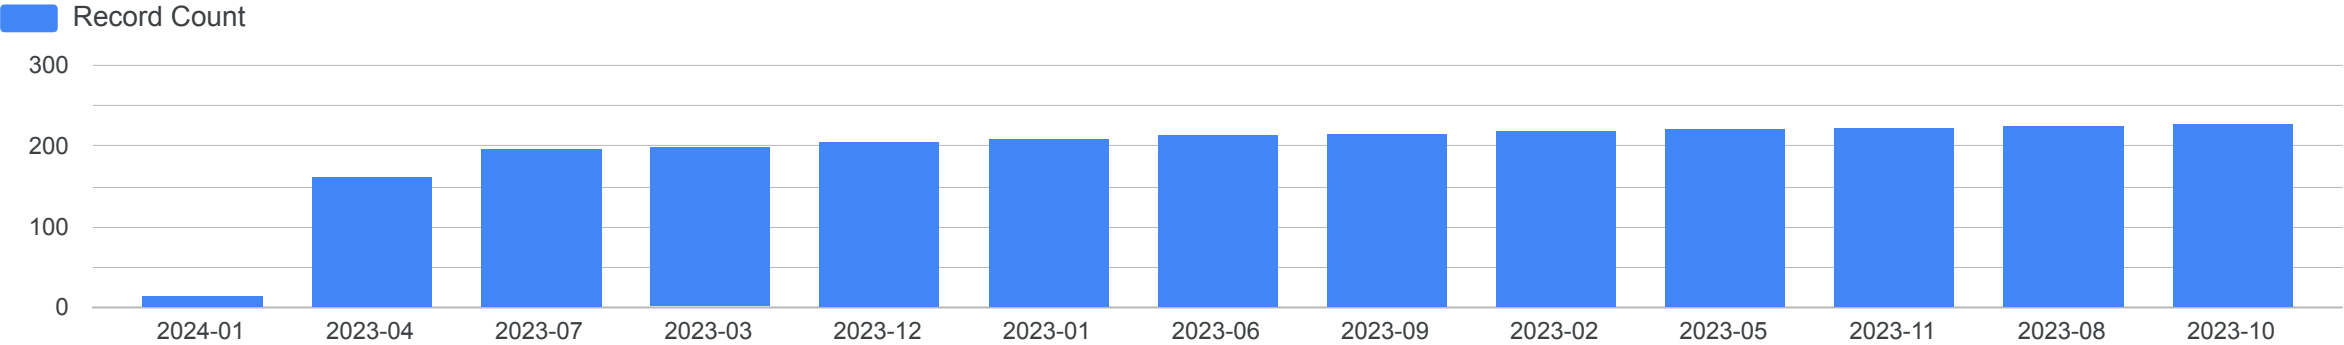

Risk Score Distribution

Risk score measures how many rule-based risk indicators a transaction triggered. Higher scores suggest transactions may require further review, but do not confirm fraud.

Monthly Transaction Trend

Transactions Worth Further Review

	TransactionID	TransactionDate	TransactionAmount	Channel	LoginAttempts	AccountBalance	risk_score	risk_category	Record Count ▾
1.	TX000075	2023-10-04 16:36:29	1212.51	Branch	1	605.95	2	Medium Risk	1
